Newsletter

April - May 2018

Dear Parishioners,

I would like to thank all the parishioners for their generosity to the parish and the Diocese.

Thanks also for your sacrificial giving for our parish and for the Bishops appeal. And finally, thank you in advance for supporting upcoming special projects.

I pray that as you enter the season of Easter that you experience the Lord in a special way.

Blessings,
Fr. Edward Looney
Parish Administrator

What is Koinonia?

Koinonia is a Catholic retreat, (a weekend experience) and an invitation to encounter Jesus while continuing life's journey.

Koinonia strives to meet everyone where they are at and assist them on their spiritual journey.

The weekend consists of talks, discussions, reflections, sharing, prayer, and liturgical celebrations. A team of lay people, clergy, and religious lead the experience, which is held in a loving and accepting atmosphere. Koinonia brings each person into one community, one body gathered in the name of Jesus, who is the center of the weekend. For more information go to <https://www.natl-cursillo.org/Greenbay/>

When it comes to dedication **Diane and Wayne Cornette** are the perfect example of Christian service above self.

They dutifully cook the breakfast each month for 40-50 people over 55 who attend the Older Adult Breakfast Social held in the Parish social hall.

All are welcome, not just members of the Parish. The breakfast is served at 9:00 a.m. the second Wednesday of the month. A \$5 per person donation is appreciated to cover the cost of the food. Following the meal there is a special speaker or activity planned by others in the parish.

The April Breakfast Social on **Wednesday, April 11, 2018** from **9:00-10:30 am** will feature a talk by Anne Egan of Healthy Water Door County, a fund of the Door County Community Foundation. From the lakes we sail and the orchards we grow, to the meals we eat and the visitors we host, we rely on the waters of Door County. Anne will share information about Celebrate Water, a yearlong initiative to bring awareness to what we can do to protect this valuable resource.
